Welcome to Grange Loan

On behalf of everyone at Carlton Cricket Club, I'd like to welcome you to Grange Loan for today's match. Whether you are a regular visitor to Carlton or this is your first visit to the club, I hope you enjoy your day at one of the most beautiful grounds in Scotland.

You will find that the 'gentle incline' at the top of the ground, although a devilish challenge for fielders, offers the perfect vantage point for watching cricket, while the shelter of the Grange Loan wall provides the ideal spot to catch the evening sunshine.

While you're here, please feel free to visit the pavilion where you'll find a well stocked bar with a range of alcoholic and soft drinks plus crisps and other snacks.

As an ambitious club with a commitment to developing young cricketers we very much welcome your support today. To keep up to date with everything at Carlton throughout the season, and to find out how to become a member, please visit our website at www.carltoncc.co.uk.

It was 20 years ago...

This season sees the 20th anniversary of arguably the club's most successful ever season. In 1988, Carlton won both the East League and the Masterton Trophy, and were crowned the Famous Grouse Team of the Year – a remarkable achievement for an all-amateur side. To make it a year to remember, 1998 was also the 125th anniversary of the club so the celebrations were even sweeter!

To mark the occasion, a team re-union is being held on Saturday 16th August to coincide with the

match against Grange. Along with the local suspects, it is hoped that David Ponniah will return from Sri Lanka, Jim Govan from Ireland, and Bob Marsden from England.

No doubt memories will go back to the last game league shoot-out against Kirkcaldy made all the more tense due to the fact that Carlton, although often going close, had never won the East League since its inception 35 years previously. 1988 skipper Hugh Parker well remembers the key moment in the match:

"George Innes bowled the Kirkcaldy professional, Indian Test player Wookeri Raman, with a beautifully flighted delivery. I remember that the roar from the Bar almost brought the roof off the old pavilion!"
