

Team Selection Policy

The selection committee will be made up of the Chairman of Selectors (Ali Evans), the captain of the Women's team, the captains of the five senior mixed teams and 2 playing advisors.

The objective of the committee is to be open, transparent and fair in their selection and to pick the correct team for each game.

Areas which will be CONSIDERED during selection (in no particular order):

- Past performances
- Ability
- Fielding
- Potential/Development
- Attendance at training
- Attitude – on and off the field of play
- Commitment
- Availability over the course of the season

Final selection decisions on each team will be made between the captain and Chairman of Selectors.

Players can expect clear communication in advance from their captain about why they have been picked in a team and what their role for that game will be.

Nobody, including captains and vice captains, is exempt from promotion or demotion.

Demoted players will be notified by text or email before the teams go out.

Teams will be picked by Tuesday and announced on Wednesday through Pitchero.

All players must be registered on Pitchero.

All players must mark availability on Pitchero a minimum of 3 weeks in advance where possible.

All selected players must confirm their selection on Pitchero BEFORE the start of Thursday training.

Players who miss matches for whatever reason should not automatically expect to go straight back into the same team.

All queries should be made to team captains, the Chairman of Selectors or the Director of Cricket.
