

Motion for subscriptions for the 2021 season – to be presented at the AGM

The Management Committee of the club is responsible for the motion for membership subscription which is being proposed at the 2021 AGM of the club.

2020 was an unprecedented year with the Covid pandemic cutting short the season to a short, but full period of friendly matches. As a result, in most cases, the memberships paid in 2020 reflected that shorter season. In some junior cases, full memberships were paid just as a halt was placed on cricketing activities. Where this occurred, a credit will be given which will apply to the 2021 season. Thanks to all members for their understanding and support during 2020.

While we are hopeful of more cricket in 2021, the outlook still has elements of uncertainty. At this stage, the club is preparing for a full season of matches and, as a result, this motion will propose a return to a full level of membership subscription.

The Committee of the Club proposes the following subscriptions be adopted for the 2021 season.

Senior playing – these reflect those which were adopted at the 2019 AGM. This means that the last general increase to membership subscriptions was in 2017. The exception to this is the women’s playing subscription which we are proposing to increase from £50 to £75. When the team was established, a low rate of £45 was set to encourage new members. The establishment of the women’s team has been a great success and with the high level of coaching given, the committee felt that the membership subscription should fall more into line with the rest of the club noting that the number of games the women’s team plays is still significantly lower than other senior teams.

Category	<u>2019 rate</u>	<u>Proposed 2021 rate</u>
Senior playing member – non-discounted	£250	£250
Senior playing member – discounted	£220	£220
Student playing member – non-discounted	£150	£150
Student playing member – discounted	£130	£130
Women playing member	£50	£75

The above rates include all league and cup match fees. It also includes tea monies for 1st and 2nd XI matches only. Discounts will be applied to subscriptions paid in full before 31 May. Due to a few instances of non-payment of senior subscriptions in recent years, the club will be instituting a no pay no play policy with respect to senior subscriptions if subscriptions are not paid in full before 31 May allowing for the later than usual holding of this AGM.

Junior – the 2021 rates reflect those which were paid by the majority of the junior membership in 2020. Due to the timing of junior registration day which took place just before the first Covid lockdown, the published rates for 2020 reflected a proposed increase which was to be taken to the AGM scheduled for

March 2020. That AGM was delayed, however those rates had already been paid so the proposal is to reflect those rates in 2021 that were paid by the majority in 2020.

<u>Category</u>	<u>2020 rate paid</u>	<u>Proposed 2021 rate</u>
Junior member – aged 7 to 9	£95	£95
Junior member – aged 10 to 11	£105	£105
Junior member – under 15 (as from 1/9/2021)	£115	£115
Family membership (one under 16 and non playing parents)	£125	£125
Family membership (non playing parents and children < 18)	£175	£175
Student member – aged 16-18	£50	£50

An additional shirt will remain at £15.

Non-playing members – these are based on the 2020 rate which was also unchanged from 2019.

<u>Category</u>	<u>2020 rate</u>	<u>Proposed 2021 rate</u>
Non-playing members	£45	£45
Non-playing members (aged over 60)	£35	£35
Dog walkers (not including fob)	£65	£65
Gate fobs – playing members	£5	£5
Gate fobs – non-playing members	£10	£10
