

Senior and Women's Team Selection Policy

The selection committee will be made up of the Chairman of Selectors (Dewald Nel), the captain of each of the Senior teams and Women's teams.

The objective of the committee is to be open, transparent and fair in their selection and to pick a balanced team with each individual having a role within that team.

Areas which will be considered during selection (in no particular order):

- o Past performances
- o Ability
- o Fielding
- o Potential/Development
- o Attendance at training
- o Attitude – on and off the field of play
- o Commitment
- o Availability over the course of the season

Final selection decisions on each team will be made between the captain and Chairman of Selectors. If a decision cannot be reached the Director of Cricket (Steven Gilmour) will be consulted.

Players can expect clear communication in advance of each game from their captain about their intended role for that game. This will be delivered through a Pitchero group message or for some teams on WhatsApp.

Nobody, including captains and vice captains, is exempt from promotion or demotion.

Demoted players will be notified by text or email before the teams go out, however, do not expect communication if you were not available for the previous match.

Players who miss matches for whatever reason should not automatically expect to go straight back into the same team.

All players must be registered on Pitchero.

Subs deadline – 5th May – Players will be ineligible for selection if not paid or made arrangements to pay.

Teams will be picked by Tuesday and announced by Wednesday through Pitchero.

All players must mark availability on Pitchero a minimum of 3 weeks in advance of a given match.

All selected players must confirm their selection on Pitchero BEFORE the start of Thursday training for a weekend match.

Any queries should be made to team captains, the Chairman of Selectors or the Director of Cricket.
