### **Annex - Motion for subscriptions for the 2026 season**

The Management Committee of the Club is responsible for the motion for membership subscriptions which is being proposed at the 2026 AGM. At the 2025 AGM, subscription increases of approximately 5% in aggregate across most categories of membership were proposed and approved by members. These increases ensured that the Club's finances would remain on a sustainable footing given the changes in Groundskeeping model and considerable investment into pitches and facilities made during 2024.

Given the relatively large increase in subscriptions in 2025 and considering the overall financial position of the Club, the Management Committee proposes holding most subscriptions at existing levels for the 2026 season. A small uplift will be applied to Student and Social Player subs. As discussed at the 2025 AGM, subscriptions for Women's Players will be increased more materially, from £145 to £160. This is intended to reflect the recent upgrading of the Club's facilities and ongoing improvement in the quality and quantity of training and playing opportunities available to Women's Players.

We therefore propose subscriptions for 2026 as follows:

#### **Senior Subscriptions**

Category	2025 Subs	Proposed 2026 Subs	Notes
Senior Player	£275	£275	
Student Player	£170	£175	
Women's Player	£145	£160

Very Occasional Player	N/A	Must have non-playing membership (see below) or be a parent of Junior member(s)	£25 per league/cup match £15 per T20
Gate fobs	£10	£10	

The above rates continue to include all league and cup match fees.

**As in previous years, the club will be instituting a no-pay, no-play policy with respect to senior subscriptions. Please note the slightly earlier deadline than in previous seasons: no-pay, no-play will apply if subscriptions are not paid in full (or, if paying by instalments, the first payment has not been made) by 30 April 2026.**

## Junior Subscriptions
